CLASSIFICATION

DATE: 30 June 1948

TO : Chief, Foreign Branch "A"

FROM : Acting Chief of Station, Karlsruhe, Germany *P/hk*

SUBJECT: GENERAL - *General Operational Matter Germany*

SPECIFIC - *0 Hattor*

Reference- *WGH-W-626*

1. According to our records, HATTOR was not (repeat not) denazified at the time WGH-A-115 was written on the 25 April 1948, although he was denazified during the first week in May 1948. Furthermore, comment that he was placed in the classification of Mitlhafer is also incorrect. He was actually placed in the class 3 which means that he is not affected (nicht betroffen). The classification of Mitlhafer is not the lowest classification and would not have been particularly favorable. The actual classification received is the best possible.

2. The above information as well as WGH-A-1205 dated 25 May 1948 describes the status of denazification proceedings on HATTOR.
